LET THEM SAY GOODBYE TO YOU
NOT YOUR LIFE SAVINGS.

HERITAGE FINAL EXPENSE
DO YOU HAVE A LIFE LIST?

We all have “to do” lists. Most of the items can be checked off pretty easily. Grocery, mow lawn, laundry, etc. Life lists include long-term goals we have for our family’s financial security. Often we push these goals aside for “some day” as we move through our daily lives.

PLANNING

Planning for your family’s security in your absence is the responsible thing to do. Checking it off your list is easy to do with the Heritage Final Expense.

INSURANCE BENEFITS

Heritage Final Expense includes a guaranteed death benefit that allows you to provide your family a tax-free source of funds in your absence.

The death benefit proceeds can be used by your family to pay for end-of-life expenses and other outstanding debts that you may leave behind. These expenses can be substantial and medical costs are continually rising while your health insurance benefits may be decreasing. Your family may also need funds to provide for your funeral arrangements. Plan now and be confident that these costs will not be a burden on your family.

QUICK, EASY, AND AFFORDABLE

Heritage Final Expense life insurance makes that planning painless — quick, easy, and affordable. The plan is designed to be issued quickly. All that’s required is a simple application and telephone interview. No medical exam. And no blood work. In order to insure a wide range and various medical histories, we offer Full Benefit and Reduced Benefit plans.
